### Letter of Support

I have the pleasure in writing this Letter of Support in favor of the World Assembly of Muslim Youth (WAMY).

WAMY has been an implementing partner of the United Nations High Commissioner for Refugees (UNHCR) in the North-Western Frontier Province (NWFP) since 2002.

UNHCR wishes to express its gratitude and appreciation to WAMY for the humanitarian assistance, most notably, the commendable primary health care it provided to the Afghan refugees in Old Bagzai camp, Kurram Tribal Agency. Special mention deserves for the contributions made in the health sector, an investment that will yield long-term benefits for the Afghan population. The agency's health services were terminated in June 2004 when UNHCR and the Government of Pakistan agreed to cease all assistance in the new camps.

It was a pleasure to work with.

With best regards.

Ahmed Warsame  
Senior Program Officer,
